**Tattoo art and artist finding app:  
Redroute 2 - Home Feed to Save Artist and Contact**

Select an artist to view.  
Clicking on entire card will show artist page. Clicking on "i" logo will display a quickview of a condensed artist page.

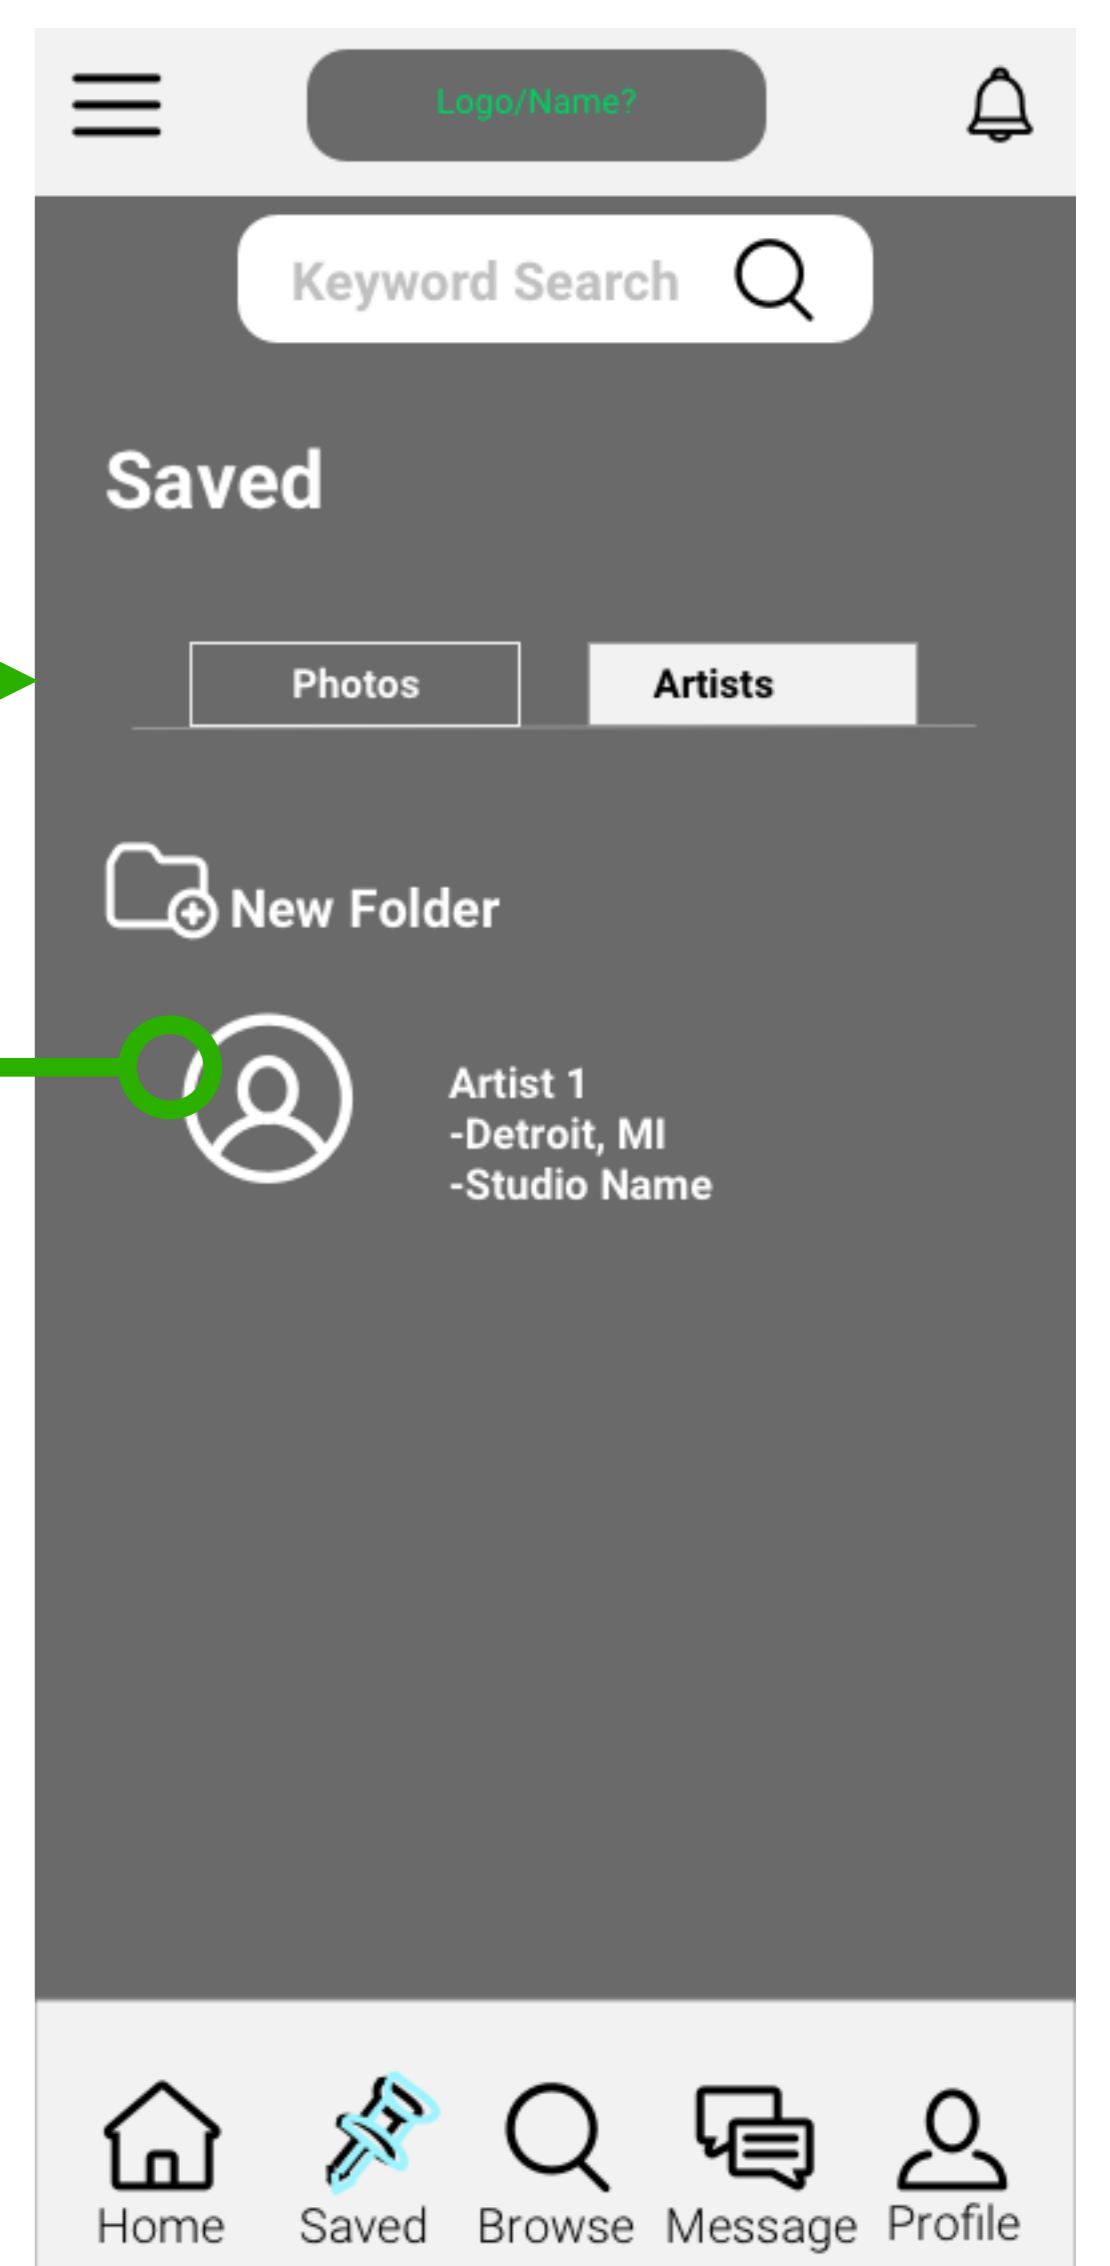

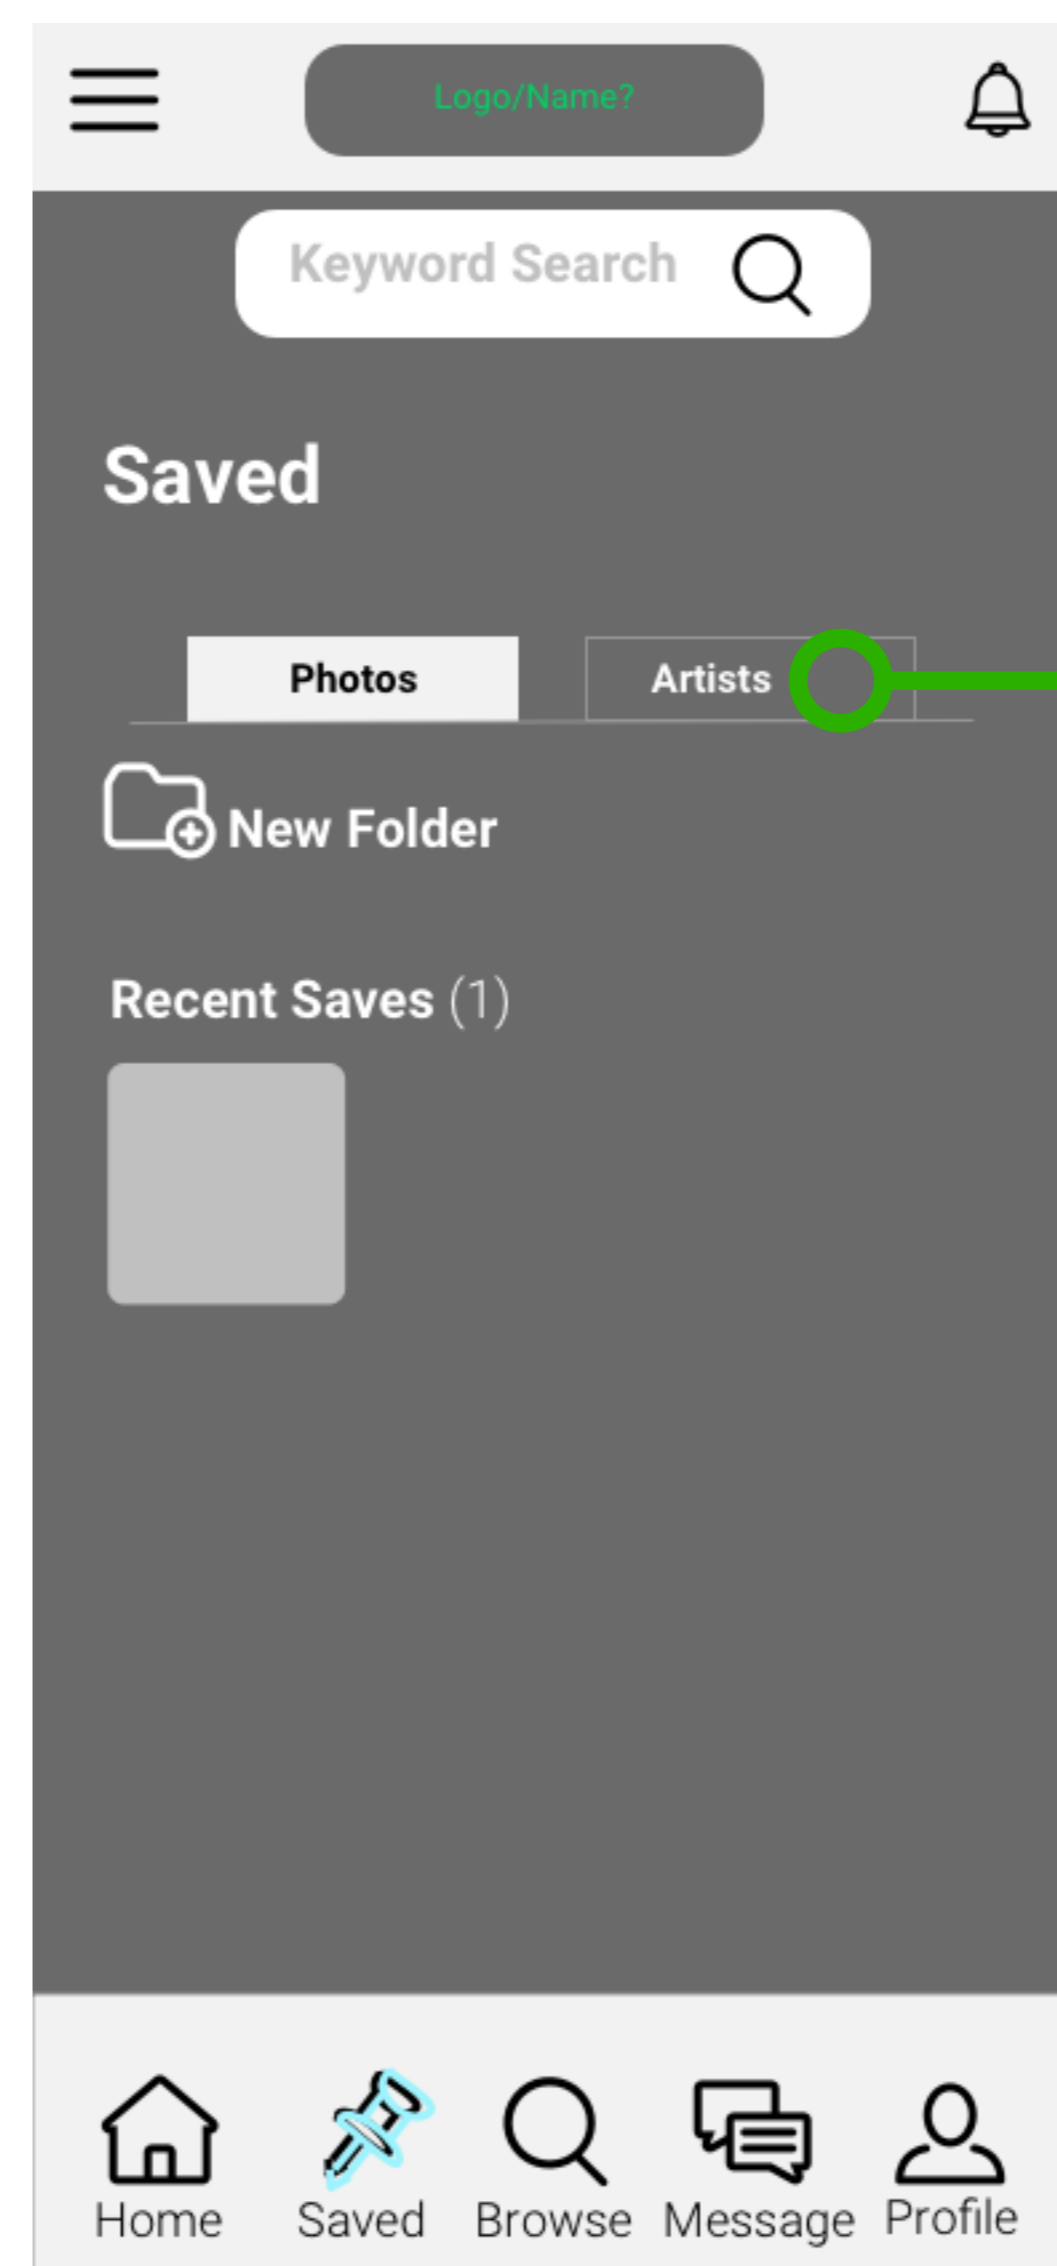

Keywords typed in search box:  
Detroit,  
Black and Gray,  
Flowers

Clicking on Artists tab will reveal artists  
connected with those search terms

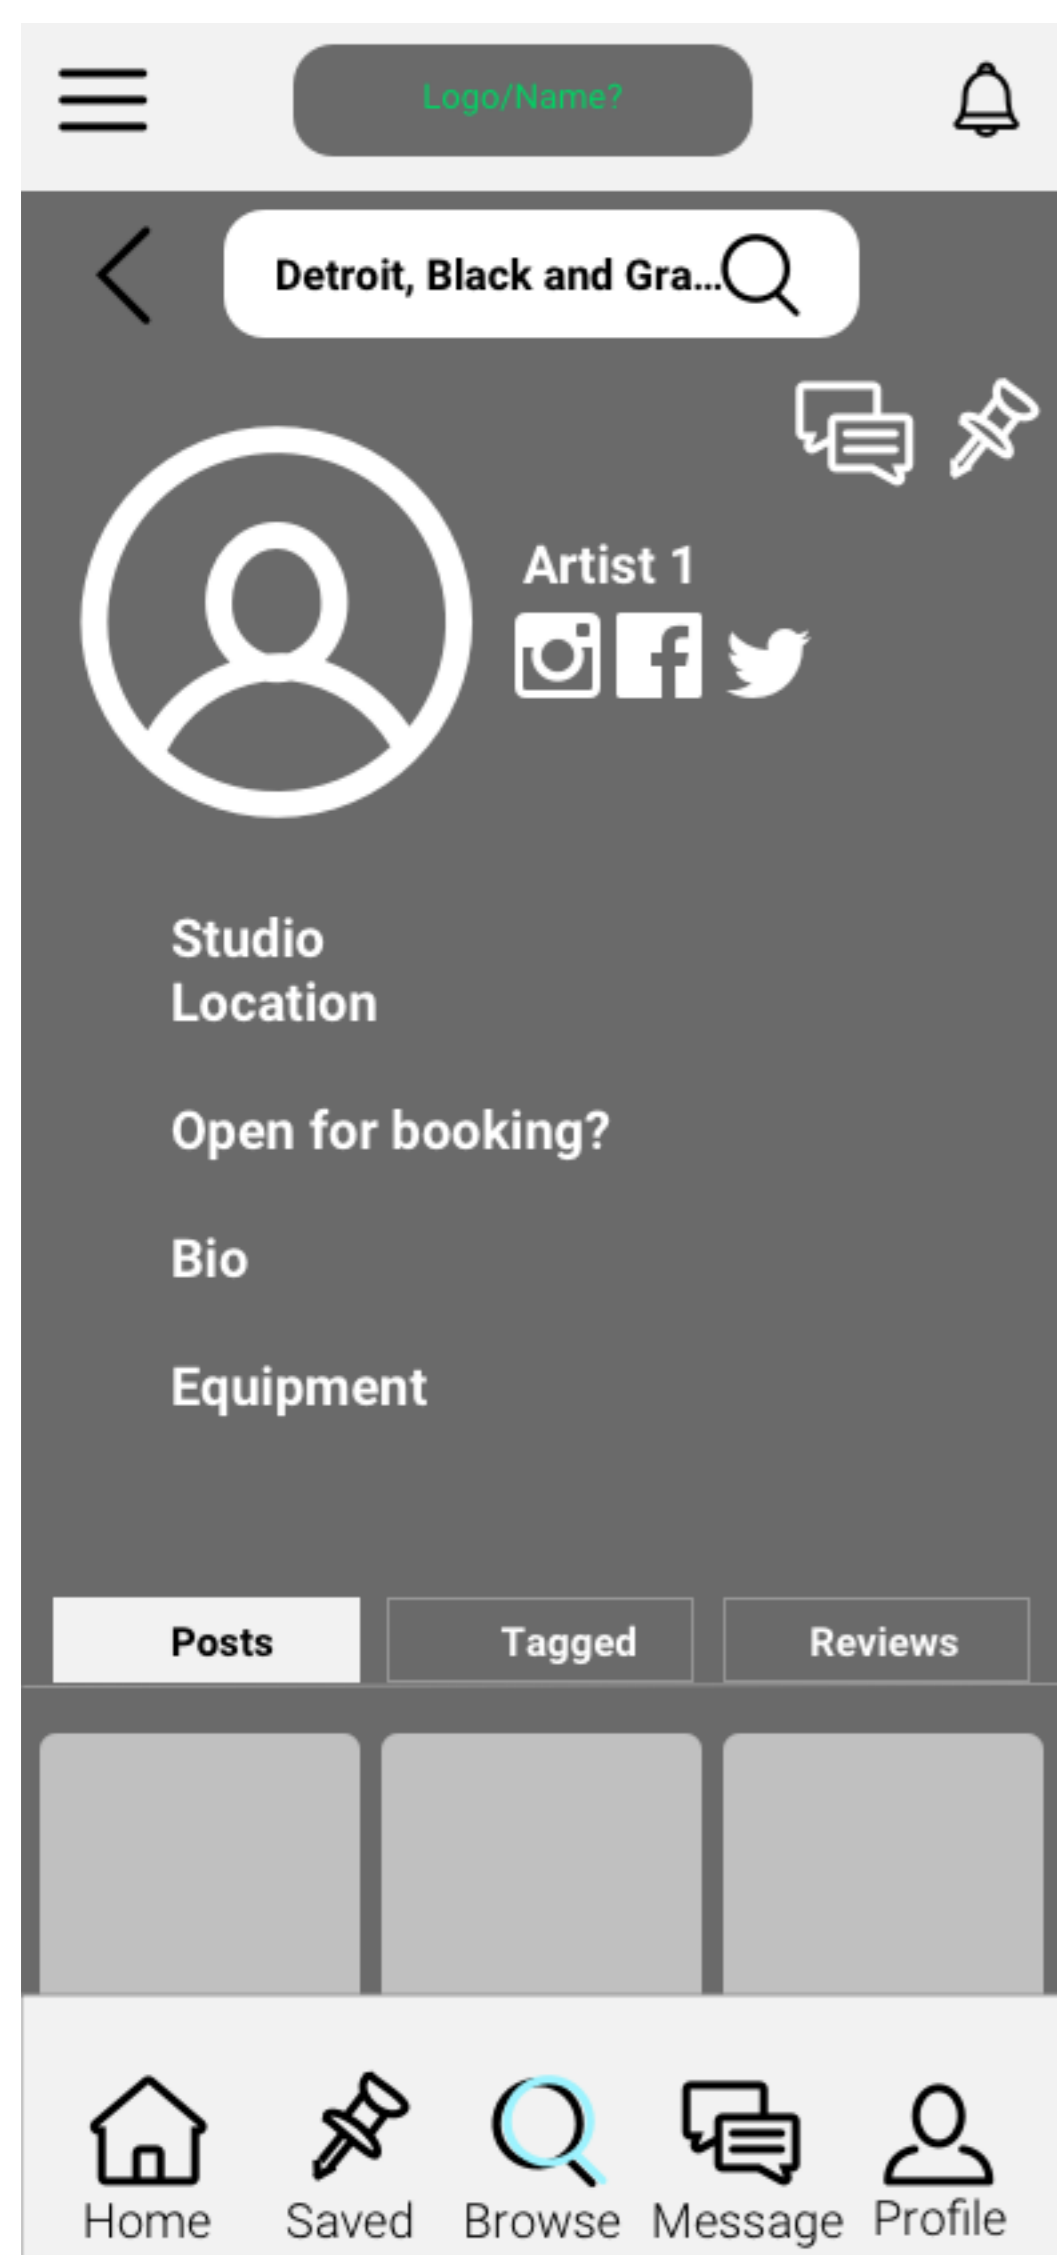

Pin icon is now highlighted to indicate  
artist has been saved for viewing later

Clicking on "saved" will default view to  
photos, click artist tab to view artist that  
was just saved.

From here, user wants to contact artist

Back on the artist's profile, user can send a  
direct message, or contact the studio they  
are located at.
